

CARGO CORNER PROTECTORS

HIGH-PERFORMANCE PLASTIC · PROTECTS STRAPS & CARGO FROM SHARP EDGES · SHIPS SAME DAY

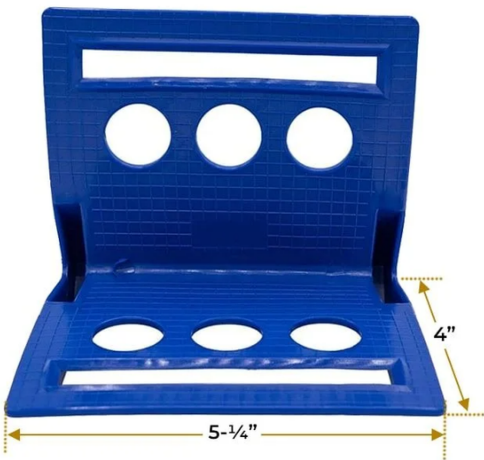

Damaged goods cost money. Corner protectors work as a buffer between the strap and the load, shielding tie-downs from sharp edges and distributing pressure more evenly — protecting both the cargo and the securing equipment while extending the life of straps.

BENEFITS & FEATURES

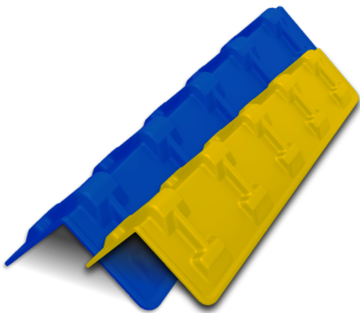

- Made from durable, high-performance plastic
- Reduce the wear on straps by limiting movement
- Protect the corners of your cargo
- Protect your cargo from strap damage
- Helps straps maintain proper tension during transit
- Improve your service and company image
- Reduce insurance claims for damaged goods
- Protect wall corners of buildings and factories
- Lightweight yet sturdy for repeated use
- 4" flat pad fits 2" to 4" webbing; strap slots hold the protector in place

HOW TO ORDER
