

3" RATCHET TIE-DOWN WITH WIRE HOOKS

DOUBLE J-HOOK EACH END • POLYESTER WEBBING • WLL: 5,000 LBS. • IMPORT

★ USA MADE ALSO AVAILABLE ★

⚠ **Never exceed the Working Load Limit. Do not use "cheater bars" or other means of increasing leverage on ratchet handle.**

Murphy M-Strap 3" ratchet tie-downs with wire hooks each end. Wire hooks are extremely strong and can take a beating. Made of the highest quality polyester tie-down webbing — extremely strong with very little stretch to keep loads secure.

3" width provides significantly higher WLL than 2" straps, making them ideal for heavier flatbed loads. Wire double J-hooks connect easily to D-rings, stake pockets, and other anchor points. Heavy-duty oversized ratchet mechanism weighs over 7 lbs alone for maximum leverage and tensioning power.

Polyester webbing resists stretching, UV damage, abrasion, and water absorption. All hardware zinc-plated for corrosion resistance. Straps tagged and stenciled with WLL and break strength.

AVAILABLE SIZES & SPECIFICATIONS

SIZE	WLL (LBS.)	BREAK STRENGTH (LBS.)	WEIGHT EACH (LBS.)
3" x 20'	5,000	15,000	8.50
3" x 27'	5,000	15,000	10.00
3" x 30'	5,000	15,000	11.00
3" x 40'	5,000	15,000	13.50
3" x 50'	5,000	15,000	16.00

Polyester webbing, wire double J-hook each end. All hardware zinc-plated steel. Heavy-duty oversized ratchet mechanism. Labeled to meet DOT regulations, CVSA guidelines, WSTDA recommended standards, and North American Cargo Securement Standards. 80% of orders ship same day.

FEATURES

- 3" industrial-grade polyester webbing
- Wire double J-hook end fittings each end
- Heavy-duty oversized ratchet mechanism
- Higher WLL than 2" straps for heavier loads
- Corrosion-resistant zinc-plated hardware
- Very little stretch under load
- UV, abrasion & weather resistant
- Tagged & stenciled with WLL & break strength

COMPLIANCE

- DOT regulations
- CVSA guidelines
- North American Cargo Securement Standards
- WSTDA recommended standards

APPLICATIONS

- Flatbed trailers & step decks
- Heavy equipment & machinery
- Steel & construction materials
- Oversized & high-weight cargo
